CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, have been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We morever engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

PROCEEDINGS—1957 SESSION

First Day—Immanuel Church

1. The 130th annual session of Eastern Association was called to order by the Moderator, T. W. Williams, at 10:00 a.m. on October 8, 1957, at the Immanuel Church. 2. The Moderator called for petitionary letters. There were none.

3. The Asociate Clerk, Jim Tate, reported 23 churches represented. The Moderator declared the Association duly constituted.

4. Julian Motley gave the report of the Program Committee, recommending these changes: (1) Correction of the name given for the Christian Literature Report from Mrs. Robert Johnson to Mrs. Robert Knowles; (2) That the Report of the Missions Committee be inserted at 1:45 (first day) and the Missionary's Message be moved to 1:50 p.m.; (3) That a miscellaneous business period of 15 members be inseratted at 2:00 p.m. on the first day, moving the rest of the program down 15 minutes; (4) That a miscellaneous business period of 5 minutes be inserted at 11:00 a.m. of the second day; (5) That J. C. Canipe be listed as the preacher for the missionary sermon on the second day. This report with the amendments was adopted.

5. The Moderator called for nominations for Clerk. Eugene Hager was reelected. Jim Tate was reelected as Associate Clerk.

6. Moderator T. W. Williams appointed the following committees: (1) Place and Preacher—R. F. Marshburn, Chairman; E. C. Watson, and Mack Herring. (2) Memorials—Lauren Sharpe, Chairman; Paul Curry, and D. J. Brock. (3) Resolutions—Russell Hinton, Chairman; Mrs. Lula Parker, E. L. Peterson, Philip Pierce,

and Robert Melvin. (4) Constitutional — Paul Cashwell, Chairman; Joe Everett, and M. M. Johnson.

7. L. H. Knott, in the absence of Garland King presented the Treasurer's Report, passing out copies of the proposed budget and of the receipts and distributions for this past year. (This and other reports will be found in a special section of these Minutes following the proceedings.) The Report and its recommendations were adopted.

8. The Moderator reported on the work of the Executive Council. The Clerk read a summary of the Council meetings. The Report was adopted and the actions of the Council appoved. The Clerk moved that the name of the Executive Council be changed to Associational Council, to avoid confusion with the Executive Committee. This was referred to the Constitutional Committee.

9. Paul Cashwell, Chairman of the Constitutional Committee read recommendations from that Committee to be acted upon on the second day.

10. U. A. McManus recognized the visitors and also Russell Hinton, the new pastor of the Bear Marsh Church. A. L. Brown, a former pastor in the association, and J. C. Powell, a retired Missionary, were also recognized.

11. David Johnson led in the singing of "To the Work." Mrs. Robert Knowles presented the Report on Christian Literature, calling attention to leisure reading and the enormous volume of "comic books." She stressed that parents should know what children are reading. She recognized Dr. L. L. Carpenter of the Biblical Recorder, who emphasized the importance of our state papers in keeping our people informed. He announced that the Recorder has a circulation of nearly 62,000. The Christian Literature Report was adopted.

12. Charles Whitley presented the Report on Colleges and Seminaries. He pointed out that our seven Baptist Colleges in North Carolina have an enrollment of 6,500. But we have 21,000 Baptist Students in the state; thus, only one out of five of them are attending Baptist schools. Mr. Whitley called attention to the excellent distribution or spacing of these schools over the state. He then recognized all present representing Christian Education in some way.

13. The Campbell College Choir, led by Charles Horton, sang "He's Got the Whole World in His Hand," "For All the

Saints," "He Had to Walk This Lonesome Valley" and closed with the benediction "The Lord Bless You and Keep You."

14. The Report on Colleges and Seminaries was adopted with a rising vote of thanks to the Campbell College Choir.

15. M. M. Turner preached the Annual Sermon, based upon Luke 15 and Luke 19:10. His subject was "Are Things in the Wrong Place?" He then pointed out four things in the wrong place: the lost coin, the lost sheep, and the two lost brothers. Then he asked the question: How can life get back into the right place?

16. Jim Tate, the host pastor, was recognized for instructions concerning the lunch hour and for the closing prayer.

Tuesday Afternoon

17. The afternoon session opened with the singing of "The Solid Rock" led by David Johnson. The Moderator, T. W. Williams, in the absence of Paul Curry read from Romans 12. A. L. Brown led in prayer.

Mimeographed reports on the Missionary's Home Project were distributed. This report was adopted for inclusion in the Minutes. Copies of an Associational Calendar were passed out. Brother McManus reviewed briefly some highlights from the history of the Association. It has had a glorious past. Property can be passed from one generation to the next but faith and achievement cannot. He presented a projection of Associational work and planning for the future. He moved the adoption of this Report to become the official program of our work in the Association. It was adopted.

19. M. M. Johnson read two more recommendations from the Constitutional Committee to be acted upon tomorrow.

28. Paul Cashwell gave the Benediction.

Second Day—Kenansville

29. The second day of the Association's Annual Meeting opened at 10:00 a.m. with the singing of "The Church's One Foundation" led by Lauren Sharpe, who also read from Matthew 7 and led in prayer.

30. The Associate Clerk, Jim Tate, reported 25 churches represented so far on the second day.

31. The Minutes of the first day's session were read by the Clerk and approved.

32. Visitors were recognized and welcomed by U. A. McManus.

33. John I. Durham gave the Report on the Baptist Hospital, which was adopted. Bill Carnes of the Hospital was introduced. He said that the basic philosophy behind the work of the Baptist Hospital is: we are concerned about the health of a whole person.

34. In the absence of Cletus Brock, Baxter Phillips was recognized representing the Baptist Homes for the Aging. A motion was made and passed that in the absence of a formal report a digest of information be adopted.

35. Julian Motley was recognized for the Report on Baptist

Children's Homes which was adopted. He introduced Marse Grant who summarized the past year's work in headline form as follows: (1) Name of Homes Changed (to "Baptist Children's Homes of N. C."); (2) Indian Orphanage Taken Over by Children's Homes; (3) Board Home Program Expanding; and (4) Thanksgiving Offering More Important than Ever.

In his message he said that we have lost some things in recent years that we need to regain: (1) Our sense of the badness of sin; (2) Our true sense of values; (3) Our deep-seated compassion for people that are lost; (4) Our sense of our need of God.

41. Lauren Sharpe, the host pastor, was recognized for instructions for the lunch hour. He led in the closing prayer.

Wednesday Afternoon

42. The Association reconvened at 1:30 with the singing of "Send the Light" led by David Johnson. This was followed by the singing of "Jesus Shall Reign."

43. Earl Thigpen from the Cedar Fork Church read Romans 8:31-9, Colossians 1:10-19; 2-6, and led in prayer.

44. J. L. Powers gave the Report on the American Bible Society which was adopted.

45. L. H. Knott gave the Report on Civic Righteousness and introduced W. P. Biggerstaff of the Allied Church League. Mr. Biggerstaff called attention to the fact that there are 12,000,000 problem drinkers in America, 60,000 in North Carolina. He said that 75% of all crime is alcohol-related in some way. He pointed out the need for (1) a program of education — to tell the

truth about alcohol, for the liquor industry has brainwashed our people; and (2) a program of action. Many Protestant Church members are drinking now. Our most serious problem is not the 12,000,000 problem drinkers, but these drinking church members and their attitude. This Report was adopted.

46. Dr. R. F. Marshburn, Chairman of the Place and Preacher Committee submitted the following report concerning the meeting next year:

First Day—Rose Hill
Second Day—No Place Yet
Preacher—M. M. Johnson
Alternate—James H. Tate

The Report was adopted.

47. In the absence of Paul Cashwell, U. A. McManus presented the amendments to the Constitution recommended by the Constitutional Committee as follows:

(1) That Article 3 read ". . . the six general officers . . ." rather than ". . . the five general officers . . ."

(2) That in Article 5 the words "an Associate Clerk" be inserted after the word "Clerk."

(3) That in Article 11 the word "contributed" be substituted for the words "sent up."

(4) That in Article 12 the words "Associational W. M. U. President" be inserted after "Associational Brotherhood President."

(5) That the second paragraph of Article 12 read as follows: "The Executive Council shall meet at least once each quarter at a time and place designated by the Council after the first meeting which will be called by the Moderator who also shall serve as Chairman of the Council. With proper notice being given to all members of the meeting, when it is determined that a majority of the churches are represented the Chairman shall declare the Council duly constituted."

(6) That in Article 12, EXECUTIVE COMMITTEE, the words ". . . and the chairman of all sub-committees" be deleted. And that the words "A majority shall constitute a quorum" be added to the end of the paragraph.

(7) That in Article 12, the Missions Committee be composed of seven members rather than fifteen. And that

the words "seven members shall constitute a quorum" be deleted and the words "a majority shall constitute a quorum" be added.

(8) That in Article 12, the Evangelism Committee be composed of five members rather than fifteen. And that the words "seven members shall constitute a quorum" be deleted and the words "a majority shall constitute a quorum" be added.

(9). That in Article 12 under NOMINATING COMMITTEE the words "an associational radio and television representative and" be deleted.

(10) That Number 11 under Article 12 (MUSIC COMMITTEE) be changed to Article 13 and read as follows: "The Association shall have a Music Committee composed of six members and the Associational Director of Music who shall serve as Chairman. This committee shall be responsible for the development of a program of music among the churches of the Association. The members shall be appointed by the Director from the Association at large." The numbering of the remaining Articles will be changed accordingly.

(11) That Article 18 (which was 17) read: "With the proposed changes having been presented on the first day, this constitution may be amended on the second day of any annual session by a vote of two-thirds of members present."

(12) That in the Rules of Order under Number 3, the word "messengers" be substituted for the word "delegates."

(13) That the name of the Executive Council be changed to Associational Council and the wording in the Constitution be corrected accordingly.

(14) That the following become Article 6: "The Association shall have three trustees who shall serve three-year terms in rotation, the replacement to be elected with the other officers of the Association annually." The numbering of the old Article 6 and the remaining articles will be changed accordingly. (Note: this is in addition to the change in numbering required by Number 10, above, in this report.)

These recommendations of the Constitutional Committee were adopted.

48. Trustees were elected for the following terms:

Mack Herring—3 years
Amos Brinson—2 years
J. A. Johnson—1 year

49. Russell Hinton presented the Report of the Resolutions Committee. A resolutions concerning activities on the Lord's Day was adopted. The second resolution, concerning dancing at Meredith and Wake Forest was not adopted; instead a motion was passed to the effect that we leave the matter with the Baptist State Convention and the trustees of our Baptist Colleges. The third resolusion expressing thanks to the Immanuel and Kenansville Churches was adopted. (The adopted resolutions will be found in the section of reports.)

50. Jerry DeBell presented the nominations of the Nominating Committee for representatives for denominational agencies. They were elected. (Their names appear in the Directory at the beginning of these Minutes.)

53. Jim Tate, the Associate Clerk, gave the following report:

	1st Day	2nd Day
Messengers	92	72
Alternates	22	8
Pastors	13	9
Visitors	181	112
Total	308	201
Churches	39	39

54. Lauren Sharpe led in the Memorial Service. Following this special music was presented by the Kenansville Church.

55. Dr. Louis S. Gaines, Pastor of the First Baptist Church in Fayetteville, brought the closing message. His text was Joshua 18:3 and his topic was "Casual Christianity." Is religion to you a necessity or is it simply a luxury? Casual Religion is an affront to God. It can easily reduce our program to mere nonsense. Dr. Gaines led in the closing prayer, and the Association adjourned.

REPORTS

Here are some of the reports presented to the Association. They are in alphabetical order. A few have been condensed. Some reports (such as those of nominating committees and the Constitutional Committee) appear in the Proceedings rather than here. In other instances formal reports were not made available to the Clerk and thus do not appear except as referred to in the Proceedings.

AMERICAN BIBLE SOCIETY

The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay when he must leave and keep on speaking to a man's heart. If people are to know Jesus who is the one hope of men and nations, they must have the Bible. Each person must have the Bible in his own language because it speaks to his heart as no other language can speak. The Bible is the tool of missions and evangelism. The missionary uses it in all his work. The American Bible Society helps missionaries to translate the Bible. It publishes without note or comment and distributes without profit. During 1956 it distributed throughout the world more than 15 million volumes of Scriptures. It supplied over 13,000 Bibles and other Scriptures to people; it also donated nearly one million Scripture volumes for distribution by chaplains to our armed forces.

Southern Baptists give to the American Bible Society. Our missionaries depend on the Society for Scriptures they need for distribution to their people. In 1956 Southern Baptist churches, with 8½ million members, gave $120,732 to the American Bible Society. Methodists, with 9¼ million members, gave $174,447. They not only led in the total amount of their gifts; they even gave more per member. Southern Baptists can lead in the support of the American Bible Society if every church will give. Here are suggestions, based on what many churches are doing. Every church can give at least these amounts each year: Country and Village churches $10 to $25, Churches in small cities $25 to $100, Larger Churches $100 to $200, Great City Churches $200 to $500 or more.

Send gifts to your Baptist State Office marked, "For The American Bible Society."

J. L. Powers

Recommendations:

1. We recommend the adoption of the proposed budget.

2. We recommend as future policy the enlistment of our churches in the financial program of the Association to the extent of 3% of their offering plate dollar or $1.00 per resident member, whichever is greater. Churches are encouraged to adopt this goal *as soon as circumstances permit.* This enlarged budget will allow for an expanded primary mission program.

3. We recommend the continuance of the present policy of churches paying the full amount for supply when the Missionary supplies in the absence of a Pastor. We, however, recommend that the proceeds be divided equally between the Missionary and the general funds of the Association.

4. We recommend that the Clerk authorize payment for minutes and Clerk's salary; organizational leader authorize payment for S. S., T. U. and Brotherhood; Program Chairman authorize expenditures under

Association Program; and the Missionary be responsible for the other accounts.

5. That the $39.25 which has been appearing for years in the financial report for Visual Aids be used toward the purchase of a slide projector for the Association, along with $26 or $27 from the Miscellaneous Fund (to buy a $110 projector for $67).

Children's Homes Report

UNMET NEEDS

The year 1956 was another busy one at the Baptist Children's Homes. We were able to admit to our care only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number only 169 children could be admitted to some phase of our program. Certainly all the other 644 were in need or their applications would not have been signed by Baptist Pastors.

Careful research by our Social Service Department in cooperation with the Pastors who had signed the applications, made it possible to place many of these 644 children with relatives or other Agencies where their needs are being met. Many others could not be placed and are still waiting for someone to come to their rescue. Our Pastors have been most tolerant and cooperative in trying to reach the weighty decisions as to which children were in greatest need and should be admitted to fill our few vacancies.

The question often arises, "How many dependent children should North Carolina Baptists provide for?" Probably an exact answer is impossible. Last year we served a total of 751, an increase of 15 over the year before. Of these, 126 were supported in Foster Boarding Homes. Perhaps a conservative estimate is that Baptists of North Carolina should serve about 1,000 children annually. It is, therefore, planned to gradually expand the Foster Home Program until we as a Denomination are caring for our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home, which cares for fifteen to twenty children, is located in Robeson County in the Burnt Swamp Baptist Association. Since this Home has not been and probably cannot be adequately supported by the local Association, considerable sentiment has developed among North Carolina Baptists for admitting it as a part of the Baptist Children's Homes of North Carolina, Inc. In view of this sentiment and the pressing need, the Board of Trustees of the Baptist Children's Homes at their regular annual meeting in May, 1957, voted unanimously to recommend to the Baptist State Convention, at its annual meeting in November, that the Pembroke Orphanage be made a part of the North Carolina Baptist Child Care Program. If the Convention approves this action,

it will necessitate the erection of one Cottage at Pembroke at a cost of about $50,000.00. and an additional operating budget of about $20,-000.00 per year.

HOW CAN BAPTISTS FINANCE THESE ADDITIONAL NEEDS?

We believe we can get the money for the cottage through special gifts and bequests. The current support would have to come through the Churches. Our Baptist Churches have two plans for supporting the Children's Homes:

Plan Number I is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

Plan Number II is the Thanksgiving Offering. Every dollar of this comes to the Children's Homes and may be increased by the Churches to meet the increasing needs as far as our people wish to go.

The only possible way now for your Children's Homes to get more money to meet these challenging needs is through an increased Thanksgiving Offering in November. If every Church will increase its Thanksgiving Offering ten per cent this will give us the $20,000.00 to support the children at Pembroke. As our people go beyond this amount in their giving, we will expand the Foster Home Program and care for some of the 644 children who had to be turned away last year. Surely the Master is not pleased with His servants until they have done their best.

Julian Motley

Evangelism Committee Report

It is with great pleasure that I bring this report and call attention to the increased emphasis being placed on evangelism.

The Committee makes the following recommendations:

1. We recommend that Eastern Association plan and execute a simultaneous revival the week of March 23-30, 1958. And that this be carried out on the Southern Baptist plan, with the various committees. That each committee be given the authority to do what is necessary to carry out its work. (This will mean giving the Finance Committee the privilege of going into the churches to raise the funds for the Simultaneous Crusade, as it is not included in the Associational Budget.)

2. We recommend that Eastern Association make every plan to work with and participate in the great Simultaneous Crusade of the Southern Baptist Convention in 1959.

Respectfully submitted,
Joe D. Everett, Chairman

Finance Committee for the Home for the Missionary Project

Upon the authorization of the Executive Council on January 20, 1957, the Moderator, Rev. T. W. Williams, appointed the following to serve as a committee to consider methods of raising funds to purchase a house to be used as the home for our Associational Missionary: John Flake, Chairman, John Anderson Johnson, Amos Brinson, George McGill, Joe D. Everett, Julian Motley, and U. A. McManus, Jr.

This Committee brought to the Council a recommendation that each church contribute an amount equal to $1.25 per member (total membership) to purchase a house in Warsaw. The report was adopted. This meant with the full participation of each church we would have some $11,900.00 of the needed $12,500.00. This would require the appropriation of $600.00 from regular budget sources to complete the transaction.

The Executive Council voted to proceed with the plans to secure the house in Warsaw on the suggested basis. This was done.

Our records now show the collections from churches as of August 31, 1957, which is the end of our Associational year, as indicated and further amounts received since August 31, 1957, in parenthesis:

Home Mission's Report to Eastern Association, October, 9, 1957

The report of home missions must of necessity deal with the 1956 figures. At the begining of 1957 the Home Mission board reported 1,180 missionaries, an increase of 81 over the previous year. Professions of faith reported by the missionaries numbered 39,458, an increase of 1,983 over the previous year.

The Home Mission Boards income for 1956 was: from the cooperative program, $2,027,369.87; Annie Armstrong Offering, $1,574,890.61; and from designated gifts, $127,761.01: Total, $3,730,027.49.

Among new personnel additions at the headquarters office are Clovis A. Brantley as assistant secretary in the department of direct Missions, William B. Mitchell, superintendent of Jewish work, and Wendell Belew, director of church-sponsored work.

Among major emphases during 1957 the board has continued its effort to enlist every church in an evangelistic ministry and every member to participate in soul-winning. Conservation of results will be pursued. All work of the Board is in full cooperation with all other agencies of the denomination. The "30,000 program," with its challenge to constitute 10,000 new churches and establish 20,000 additional mission stations in seven years, will receive major emphasis not only throughout the year but for the duration of the third Jubilee of Baptists.

Increased loan funds are greatly needed. Minority groups: Indians, Negroes, and language groups will receive attention. The Board has set a goal of 1,050 missionaries serving minority groups by 1964.

The City Mission Program is to be enlarged with entry by the Board into a new major city every year if possible; the rural church

program had major emphasis in 1956 and efforts will be intensified constantly; pioneer areas call for extensive interest and work; special groups and needs, such as the deaf, the Jews, migrants, broken homes, juvenile delinquents, and ministry to military personnel, challenge the best leadership of the Boards Missionaries.

Promotion and education made great demands on the Home Missions Board's staff because of increased interest, Filmstrips, Motion pictures, maps, mission study books, tracts, picture packets, publicity, the magazine, and all other projected and published materials have been improved and the demands have been tremendous. Schools of missions and assignment of home missionaries to fulfil increasing demands have afforded missionary information and inspiration.

The chaplains Commission reported 421 chaplains on active duty and 11,074 professions of faith recorded in their ministry.

Home missionaries were instrumental in starting 729 new missions and constituting 296 new churches.

The greatest need of the Board is expressed in the single statement: We need your prayers and personal interest, a larger proportion of the church budget dollar, a wider interest in tithing, missionary volunteers committeed to home missions, and a share in every Southern Baptist's Consecration.

Respectfully submitted,
Millard M. Johnson

Report

N. C. Baptist Homes For Aging

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizeable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been

received from the February Special Day Offering. This represents an average gift of ten (10¢) cents per Baptist—850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred, seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages 65 to 97 years.

Missionary's Report—1957

I had opportunity to peruse a copy of the minutes for the year that Eastern Association celebrated her Centennial which which was 1927. I cannot in this period of time give you much information relative to the history of the Association but I want to tell you that Eastern has seen some glorious days.

There are some great names written upon the pages of her history. Many family names which meant much to the work of the Lord in this area are extinct. Some of the family names continue in the area but very little is heard from the persons in the work of the Lord. And thanks be unto God that there are many continuing as effective workers following in the steps of father, grandfather and back.

Written upon the pages of history of Eastern are accounts of great undertakings and achievements. There was the High School sponsored by the Association which was maintained in Warsaw for some 50 years. There was the Dell School which had Association connections. Eastern went a long way in her support of Wake Forest College and Meredith College.

The spirit of cooperation was prevalent among the people of olden days. The desire to help each other is to be seen in many places. For instance, the Association went a long way in helping with the Pastoral leadership for many churches. The Clinton First Baptist Church received assistance on their Pastor's salary from the Association.

But changes must come where there is life. We have our ups and

our downs. The changes are to be seen even in the change in names of the Association. At the time of the constitution of what is now known as Eastern Association in 1827 the churches of this area had already been in four Associations (Sandy Creek, Kehukee, Neuse and Cape Fear.) The original name given to the Association was Goshen. This name was changed when the Neuse was combined with Goshen to Union. Union was changed after the Civil War to Eastern because of the connotations of the word "union" as viewed by a Southerner.

With the coming of changes and a clear observation of the history of Eastern Association, one is made ever so aware of the fact that land and properties can be passed on to descendants but faith is a personal matter that every generation must experience for itself. It would seem that somewhere along the line some of vital experience was lost only to cause us to suffer loss. We believe there are many evidences pointing to a recovery of experiential Christianity which is moving our people onward and upward.

To the end that we use our resources in an effective manner, we have the following proposed program for emphasis in Association work:

I. Our work together

A. We must sponsor a coordinated program reflected in an Associational Calendar of Activities. Emphases for promotion in churches must be scheduled.

B. We must strengthen the organizational work in the churches through the efforts of our Associational Organizations. (The whole responsibility—except for advisory help—has to be that of the persons elected to serve. These elected persons have authority to carry out their plan of work in coordination with other work of the Association, all subject to approval of the Association.)

C. We must do certain things as an Association. These activities fall in two distinctive categories which are as follows:

(1) Groups of Churches or central emphasis basis activities such as S. S., T. U., Brotherhood and W.M.U. development activities. The efforts are planned and sponsored by the persons elected to serve in the various Associational organizations.

(2) Efforts involving the local churches but all (or many) of them doing the same thing at the same time. This type of work will be promoted by the Associational Missionary in conjunction with the Associational Leaders. Leadership will come from within and without the Association for the promotion of such work. At the present we have planned the following activities:

1958—February ..... Sunday School Enlargement Campaign
1958—March ..... Revival Crusade
1958—September ..... Forward Program of Church Finance
1959—Spring ..... Training Union Revivals
1959—March ..... Southwide Evangelistic Campaign
1960—April 3-8 ..... Schools of Missions

II. Our work done in local churches from the Association

A. The Church Community Survey seems to be the approach in this connection. A complete study is made which includes the gathering, examining, and analyzing of relevant data. Strength and weakness of the church effort is looked at with a realization of the church potential. Seeing the potential, the church together (in a church study with real interest and concern) sets up goals and plans to reach them. This is a matter of the church doing together what is necessary to go forward.

B. The Missionary must help the churches reach goals that are set up and this can be done by preaching, teaching, counselling, etc.

NOTE: All of this work from the Association with the churches depends on the churches requesting help. The Missionary and others with experience stand ready to assist when called upon.

III. Our cooperative efforts outside the local church

The beginning of NEW WORK (Sunday Schools, New Churches, Preaching Points, etc.) must occupy a prominent place in our thinking and planning. We must go to the people and challenge them. We need suggestions from all who know of possibilities in this phase of the work. The work must be done through our churches. In most instances one church will be responsible for the particular situation. We have in mind some places for possible work. They are the following places: Bowden, Mt. Olive, Warsaw, Clinton, Pasture Branch, Cyprus Creek.

Respectfully submitted,
U. A. McManus, Jr.

Report of Resolutions Committee

Whereas, the trend of our times include the encroachment upon the Lord's Day as a day of activity for secular matters, and whereas, we believe that such activity undermines organized religion and violates the unalterable law of God, be it resolved that we go on record calling our people back to a proper use of the day.

1. And more especially, be it resolved that we go on record opposing the practice of the National Guard drilling all day on the Lord's Day in lieu of week day drills. (Two hours each weekday drill exchanged for four hours on Sunday)

2. And be it resolved that we also record our opposition to the practice in some quarters of the Boy Scouts taking excursions which interfere with normal Lord's Day activities.

3. And be it resolved that each of us be conscious of the Lord's Day, especially by refraining from non-essential buying and selling.

General Resolutions

Inasmuch as the Lord has so wonderfully and graciously blessed the one hundred and thirty-first annual session of the Eastern Missionary Baptist Association, be it resolved that we express our most grateful thanks.

1. To the Immanuel Church and the Kenansville Church for the cordial manner in which we were entertained by the pastor and good laymen of each church. Our needs were met in the spirit of good Christian hospitality.

2. To the Program Committee who worked diligently to provide us with a selected group of speakers, and to our efficient Associational Officers and Committees for their unselfish work this past year.

3. To our Moderator Rev. T. W. Williams who has served us well as moderator during the year and during our annual session.

4. To our Associational Missionary for his zeal and vigor and for his insights into our local, associational, state and world-wide needs.

5. To the Campbell College Choir and to the other participants who contributed to our program.

6. Furthermore we urge that we take seriously the command of our Lord to win the lost to Christ and train them in Christian service. We urge that truths and visions gained during these two days be made a living reality, and that our Moderator dedicate us by prayer to that purpose.

Stewardship Report

Stewardship is a dynamic teaching interwoven throughout the pages of the entire Bible. North Carolina Baptists are now engaged in a very significant program—"The Tithers 'Prove Me' Program of North Carolina Baptists." In the booklet outlining this three months' Program—October through December—we are told that stewardship is the economic phase of discipleship; the economic side of the Christian life.

The churches of the Eastern Baptist Association that have adequately planned for the "Tithers Prove Me Campaign" will reap rich benefits from it. The objectives of the campaign are as follows: "Let every member of every church try tithing for a period of three months, then let every church divide the increase equally—one-half for local current support and other needs and one-half for Denominational objects, preferably through the Cooperative Program." May I hasten to say that each church makes its own decision about the above suggestion. The hour is late—one Sunday has already passed in this campaign, but you leaders of churches that are not participating in this campaign can return to your churches and urge them to get in on this program that

will bring blessing to the church, each one who participates and to the cause of world missions in general.

Summary of Council Meetings—Eastern Association

The Executive Council of Eastern Association has met seven times since the annual meeting of the Association. The first meeting was Nov. 20, 1956, in Mt. Olive. The report of the Committee on Committees was presented and adopted.

The second meeting was a called meeting held at the Bear Marsh Church December 2, 1956. The missions committee recommended that a call be extended to U. A. McManus, Jr. to become our Associational Missionary, with a salary of $3900 and other allowances already set up in the associational budget. The recommendation was adopted unanimously.

The third meeting was on January 4, 1957, at the Grove Park Church. C. O. Whitley, chairman of a committee set up by the Associational Executive Committee, was recognized for a report. He stated that more time was needed by the committee. The Council approved the action of the Executive Committee in setting up a housing committee, and voted to continue the housing committee. The Moderator was authorized to appoint a committee of 7 to study the matter of financing the project.

The fourth meeting was on January 20, at the Warsaw Church. The housing committee recommended that the Association purchase from Mr. Phil Raiford the house and lot owned by him in the town of Warsaw for the sum of $12,500. The recommendation was accepted. The Finance Committee reported, and was instructed to complete plans for financing the property. Three trustees were appointed to serve until the annual meeting of the Association. They were: Mack Herring of Mt. Olive, Chairman, John A. Johnson of Warsaw, and Amos Brinson of Kenansville.

The fifth Meeting was held on April 1, 1957, at Piney Grove Church. The Council was 4 members short of a quorum. Various reports were heard and received as information. It was voted to call another meeting in a few days.

The sixth meeting was a call meeting on April 7, 1957, at Warsaw. The Finance Committee made a report indicating that 32 churches had already voted to assume their share of the cost of the Missionary's home. Seven others promised to take a special offering for the project. John Flake, chairman of the committee, reported $3640.91 already on hand. A motion was passed to take up the option on the house, finance it for the remaining amount ($8500.).

The seventh meeting was held at the Rose Hill Baptist Church

on July 1, 1957. There were not enough members present for a quorum. Various reports were heard and received as information.

Sunday School Report

It is with heartfelt gratitude that we come to make this annual report to the association.

On behalf of the entire staff of associational Sunday school officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday schools to reach the lost for Christ and lead the saved to acknowledge the Lordship of Christ in daily living.

This year our association is reporting 41 churches and 40 Sunday schools. Our Sunday school enrolment this year is 8,809, an increase of 105 over last year. Average attendance 5,122, an increase of 911 over last year.

Achievements this past year include:

1. 19 churches observed January Bible Study.

2. 38 Vacation Bible schools and mission Vacation Bible schools were held.

3. 15 churches reported 24 training schools.

We respectfully make the following recommendations:

1. That we adopt for this year the theme, "Ye Are Witnesses."

2. That we major in our Sunday school work on more people in Bible study, more effective Bible teaching, and more people won, developed, and enlisted.

3. That the Sunday school leadership of each church in our association be urged to:

Establish a goal of 125 enrolled in Sunday school for each 100 church members.

Adopt a goal of 1 baptism for each 8 church members.

Provide a training program which would include January Bible Study Week, Preparation Week, and "Operation Home Study."

Start a new Sunday school this year.

Move up the pattern of organization by starting new classes and departments.

4. That the associational Sunday school leadership be urged to:

Enlist a complete organization.

At a clinic, train the associational Sunday school officers and plan the help for the churches, a year in advance.

Plan and direct associational group training schools. (set date)

Provide regular meetings for training and inspiration of the Sunday school workers in the churches. (set dates)

Respectfully submitted,
David Johnson
Associational Sunday School Superintendent

Training Union Report

1956-1957

As many of you know, upon the acceptance of work as Missionary in the Association I gave up the responsibility as Training Union Director realizing that we needed someone other than the Missionary for such position. However, the suggestion was made that I continue to take care of the essential matters related to Training Union work until a successor was named.

At the two council meetings when we could have elected another person to serve as Director, we did not have the necessary quorum to transact business. Consequently I have continued to perform to some limited extent. My report will show very definitely the nature of the relationship which existed for the accomplishments are less than we had hoped for from the beginning.

We have not had any of the suggested meetings for planning of the Associational work. We have not had any group meetings for the benefit of the workers in the local churches. Such activities as these depend upon the leadership of someone who is building on a long-range basis.

Even with such failures, however, we rejoice in one fine activity. We had one of the finest of "M" Night experiences. Our program was considered a very fine one. The attendance was far more than we had ever anticipated. There were some 715 persons present. The general spirit of the group was especially good. It was one of the better meetings held by our Training Union Department in recent years.

We had participants in our Associational, Regional and State tournaments. The number was not great but the interest which has been expressed in recent months surely indicates something good is in store for us in the future.

Several of our churches had a good Youth emphasis sponsored by the Training Union. We are very grateful for fine leadership in our churches that will let boys and girls have a chance to take the helm of leadership for a period. We hope that more and more people will see the need for such consideration.

We had a very good response in our Associational Youth Night service held in Kenansville. Interest was expressed for a Youth Rally for the coming year for some time other than the Saturday night of Youth Week. We know the Young People will plan and respond to the program in this regard.

We hoped for more than 1,000 awards in our Training Union work for the year but according to the records in Raleigh we had only 678. There are at least two reasons for this showing which is considerably less than that of the last four years. First, several churches which had study courses did not request the awards and second, our three larger churches had a total of only 36 awards. We know with the two new series of books coming out that things will pick up again. We must study and train for effective service in God's Kingdom.

We do have the happy privilege of reporting new Unions in several churches. Last year the report indicated 12 churches without this organization. At this time we have only eight churches without Training Union. We trust that this can be considerably reduced in the coming days.

It has been a real privilege to serve through the Training Union in Eastern Association. I am very happy to turn the reigns over to capable hands now that will go farther and do much better than we have been able to do.

Respectfully submitted,
U. A. McManus

W.M.U. Report

"Not by might nor by power but by my Spirit saith the Lord." (Zech. 4:6).

According to Miss Macy Cox's History, W. M. U. work began here in 1886. It had small beginnings because of opposition, but the work grew slowly until 1901. In that year the Association was divided into the Wilmington and Eastern Associations. Eastern now had 35 churches with 10 Missionary Societies.

Each year some man was persuaded to report to the Association the amount of money the women had raised for missions, until the year 1909. That is a memorable year for we had our first Annual Meeting, held with the Magnolia Baptist Church. The next year, 1910, we held our second Annual Meeting, this one in the Clinton Church.

We had grown to 22 societies, 702 members, and $648.59 in gifts. Every society was represented.

Today, 47 years later, we have 41 churches in the Association. Of these 38 have W.M.U. work.

The women saw the need to teach our youth. So, today, we have enlisted in our W.M.S. organization 1535 members. And in our Young People's organizations 789 members making a total of 2325.

We are an auxiliary of the church, but we reserve the right to designate four of our offerings:

Foreign Missions (Lottie Moon)	$5249.15
Home Missions (Annie Armstrong)	2193.32
Heck-Jones Memorial	990.06
Total	$8416.88

In our work we endeavor not only to teach stewardship of material possessions, but all phases of our Baptist work, keeping also before our people the missionaries who are serving on both home and foreign fields.

Thus we have a part in Christ's Great Commission.

Respectfully submitted,
Mrs. Lula Parker

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

PROCEEDINGS—1958 SESSION
First Day—Rose Hill Church

1. The 131st annual session of the Eastern Baptist Association was called to order at 9:45 a.m., October 7, 1958, by the Moderator, Clarence Shipp, at the Rose Hill Church. T. M. McClelland led in the singing of "Stand Up, Stand Up for Jesus." Worship was conducted by Delamar Parkerson, who read John 3:1-16 and prayed.

2. No petitionary letters were presented.

3. The Moderator called for a report on the registration. Paul Mull, appointed to serve in the vacant office of Associate Clerk, reported 29 churches represented. The Moderator then declared the Association duly constituted.

4. The Clerk moved that those messengers attending from churches whose letters were not yet received by the clerk be received and allowed to vote, according to Article 4 of the Constitution. The motion was adopted.

5. M. M. Johnson presented the report of the Program Committee and moved its adoption with any changes that should become necessary. The motion was accepted.

6. Julian Motley was nominated for the office of clerk and elected by acclamation.

7. Paul Mull was nominated and elected by acclamation to the office of associate clerk.

8. The Moderator appointed the following committees: (1) Place and Preacher—Amos Brinson, chairman, E. F. Knight, and C. A. McLemore. (2) Resolutions—Jerry DeBell, Chairman, Lewis Johnson, Leslie Southerland, W. T. Blanchard, Mrs. W. L. Floyd. (3) Memorials—R. F. Marshburn, chairman, Bruce Wilson, Mrs. O. H. Best. (4). Constitutional—E. B. Hager, Russell Hinton, Johnny Harper.

9. Amos Brinson was recognized for the treasurer's report and for presentation of the proposed budget. (These reports are attached as separate items to the minutes.) They were adopted by the association.

10. Report of the Missionary Home Committee was given by U. A. McManus in the absence of John Flake, chairman.

11. The associate clerk reported 37 churches represented in the session.

12. The retiring clerk, Eugene Hager, presented the report of the Executive Council. It was approved.

13. A motion was made and adopted that the editing of reports to be included in the minutes be left to the discretion of the Moderator, the clerk and the missionary.

14. L. H. Knott gave the report of the Committee of Five, and moved that the recommended schedule of churches entertaining the Association, appearing on page 25 of the Advance Reports, be adopted. The motion passed, no voice dissenting.

15. New pastors in the association since the last annual session were introduced and welcomed officially by U. A. McManus, missionary. Those presented were: Maurice Norman, pastor of Turkey, Beulah and Poplar Grove, Delamar Parkerson, new pastor at Warsaw; Boyd Lambert of the Calypso and Faison field, Aubrey Quakenbush of Clinton First, and T. M. McClelland, music and education director at Clinton First. Those named but not present were Bill Seaton, pastor of Hallsville and Jones Chapel, Bill Wallace of Immanuel Church, Clinton.

16. The hymn "Here Am I: Send Me" was sung enthusiastically. Following, the report on Christian Literature was given by Paul Cashwell. Baptist publications were commended with emphasis upon the centrality of God's Word in these and the need of His Word at the center of all our thinking as Christians. The report was adopted. (It was noted that this was the first session in quite a number of years that no representative of a state paper was present.)

17. C. O. Whitley next presented the report of Christian Education in which he reminded of the contribution made by our seven colleges and of the great challenge upon them now. Eugene Hager and Ronald Sorenson, representing Mars Hill and Campbell Colleges respectively spoke briefly of the work on these campuses. After adoption of the report, the Campbell College Choir, directed by Charles Horton, then presented a concert of three numbers, the spirituals "He's Got the Whole World In His Hand" and "He Had to Walk this Lonesome Valley," concluding with Lutkin's Benediction, "The Lord Bless You and Keep You.'

18. M. M. Johnson, in preaching the annual sermon, spoke on "The Program of Jesus Christ,' basing his message upon the text used by Jesus when He appeared in the Synagogue of Nazareth, recorded in Luke 4:18. The program of Jesus, he urged, remarkable for its unselfish movement to bring deliverance, courage and faith to suffering and lost humanity, even at the price of sacrifice, and remarkable for its magnificient method of growth through the spread of the Truth, is the same divine program of which we yet are a part.

19. The host pastor, Julian Motley, was recognized, who gave instruction concerning the dinner hour. The closing prayer was led by J. P. Gulley, Interim Pastor at Mt. Olive.

Tuesday Afternoon

20. The afternoon session began with the singing of "Footsteps of Jesus." Ted Adkins, pastor of Ingold Church, read II Cor. 5:14-21 and led in prayer.

21. Mack Herring, chairman of the Missions Committee, gave the Missions Report in which he referred to the work done during the year and stated that the committee was pleased with the progress of the Mission Program in the Association. The report was adopted.

22. Missionary McManus presented his annual report in which he called for renewed emphasis on training and on cultivating spiritual enthusiasm among our people, stating that our need is by no means for personnel, but having a host of otherwise prepared people, our need is for Spirit-filled leadership. His report was adopted. Copies of the Calendar of Activities were distributed to the messengers. The calendar was adopted.

23. The Moderator appointed a Committee on Committees: Chairman L. H. Knott, Rudolph Massey, Percy Gavin, Clifton Chestnut, Marvin Thornton, and Eugene Hager.

24. At this point Moderator Clarence Shipp appointed M. M. Johnson to serve as acting Moderator for the remainder of the afternoon session.

25. Associational SS Supt. David Johnson brought the Sunday School Report and emphasized the need for a new advance in our Sunday School program, declaring that the SS is the strong arm of the church for reaching the unreached for Christ. He then made a motion that the report be adopted with the privilege

being granted him to fill the vacant office of Assoc. Nursery Leader. The motion passed.

26. Jerry DeBell was recognized for the Vacation Bible School Report. He spoke appreciatively of the year's program and urged that absent reports be sent in. Report adopted.

27. Russell Hinton presented the Training Union Report of activities for the year and the TU Nominating Committee report. In moving adoption of the report, he moved also that the committee be allowed to fill the vacant office of secretary. The motion passed.

28. Report of the Brotherhood was given by U. A. McManus for President Jeff Honeycutt. He challenged the association to consider the seriously neglected Royal Ambassador program and to meet the need through revitalized Brotherhoods throughont the Association. The report was adopted.

29. C. G. Edge, member of the Music Committee, gave the Music Committee Report for the chairman, Miss Mary Honeycutt, who could not be present. Dr. Spivey spoke on the afternoon theme: "New Life for You in the Church.' His text was taken from John 10:10. In his message he stated that if we are to realize the goal of a "full life' rather than just "mere life" in our churches, we must be devotedly loyal, for we shall see and experience spiritual things according to what we are ourselves. He said further that we must grow in the grace of

Prayer. "The greatest tragedy," he urged "is not a church full of empty pews, but a church full of empty people." Our stewardship of prayer is greater than all other stewardships. Also, he exhorted that we must grow in the grace of giving. "We shall never grow more in the grace of living until we grow more in the grace of giving," he said. His final point was that we must grow also in the grace of witness if we would know the "full life" for ourselves and for others. God never commanded the sinner to go to church, but the church to go to the sinner.

34. The first day's session was adjourned after prayer led by the Reverend J. C. Powell.

41. Norman Aycock gave a brief report on Children's Home and introduced Dr. W. R. Wagoner who spoke briefly concerning the Children's Homes. This was adopted.

46. Associate Clerk reported visitors from Wilmington and Raleigh Associations and also visitors from other denominations.

Recommendations:

1. We recommend the adoption of the proposed budget.

2. We recommend as continued policy the participation of our churches in the financial program of the Association to the extent of 3% of their offering plate dollar or $1.00 per resident member, whichever is greater. Churches are encouraged to adopt this goal *as soon as circumstances permit.* This enlarged budget will allow for an expanded primary mission program.

3. We recommend the continuance of the present policy of churches paying the full amount for supply when the Missionary supplies in the absence of a pastor, and that the proceeds be divided equally between the Missionary and the general funds of the Association.

* Any and all over the basic anticipated receipts from the churches will be used for New Work as needed.

Missions Committee

The Missions Committee held three meetings during the year. The first meeting was at the Immanuel Baptist Church on March 31, 1958. The Missionary informally discussed matters at this time. No definite action was taken. The second meeting was at the Kenansville Baptist Church on June 30, 1958. Discussion was held relative to the beginning of a new Baptist Church in Warsaw supported jointly by the Warsaw Baptist Church and Eastern Baptist Association. A recommendation was brought to the Association Council to this effect. D. E. Parkerson was selected by the Chairman upon authority vested in him by the Associational Council to fill the unexpired term of James Tate on the Missions Committee. The third meeting was held jointly with the Missions Committee of the Warsaw Baptist Church dealing with the approach to the new work in Warsaw.

Much of the Mission work in our Association is being promoted through specific organizations and Committees charged with the responsibility. Also many planned activities were incorporated in the calendar of events adopted at the annual meeting. Several informal discussions were held during the year by the Missionary and Committee members. The Committee is pleased with the progress of the work in the Association. Will you pray for God's continued blessings to be upon our missions program.

Respectfully submitted,
Mack Herring, Chairman

Missionary's Report

It has been a genuine privilege to go into every church of the association one or more times during the year. In considerably more than one-half of the forty-one churches some type of service has been rendered. Service is the very basis for our entire approach.

Specific help of any kind to our churches awaits a request by the proper persons. Call on the missionary as you carry out your program of work for the Lord. He awaits your beckoning subject only to the demands made by others.

Our associational work has largely dealt with helping churches to help themselves. Sometimes we have gone to the churches with programs; sometimes the churches have come to us (central activities). You can quickly see that if you do not let us come to you—and you do not come to us not much good will be done for YOU. However, those who do participate gain much. For them we are especially grateful. We pray that their numbers shall increase—for this means opportunities for service.

Most of the associational program of work is carried on through the structure designed for such purposes. Details concerning activities are to be found under the reports for the various areas of work. Actions relative to new work have largely fallen into the present year.

We continue to emphasize the need for training within our own churches, to gather together upon occasions for training in groups or at a central location, and to have our local churches extend mission arms into the various needy places. Every church must be receiving or giving in so far as missions is concerned. Perhaps better said, is to say that every New Testament church *must* be receiving *and* giving. All we have, all we are, is because of others. If we amount to anything it will be because we give of ourselves even unto others.

You may see pages 40 and 41 of the 1957 Eastern Association Minutes for a basic statement with reference to associational missions work in our association which still stands with the present missionary.

Now, to pass on to some significant things for the hour. We have a great program of work as Baptists. This is true because of good leadership. This is true because of the adaptation of good programs to our local circumstances.

But to carry on any program, regardless of how good, we must have the personnel. The program does not work itself. People have to man

the stations. Here we have no serious problem. Our ranks number in the thousands. As Ministers of the Gospel, we have more than twice the number of intimate associates of our Lord. We have hundreds of deacons. No, not a problem here.

With the program, with the personnel, we still have one need. That need is for the right spirit. Not a spirit of complacency, of fear, of indifference, but of genuine concern. We must be filled with the HOLY SPIRIT. He is the only solution. He is our only hope. Let us yield to Him completely.

Respectfully submitted,
U. A. McManus, Missionary

Foreign Mission Report

Modern living and travel have so changed the outlook toward Foreign Missions that now, with our missionaries in more countries and in greater numbers than ever before, the work has become more real to us at home. As a result there is an unprecedented missionary fervor among the people of our national churches. This new zeal in world outreach is reflected primarily by the mounting numbers of young men and women who are making application for Foreign service with our Board. In 1957 there were 118 candidates who applied for appointments. Of these 108 were accepted and have been appointed. At the end of 1957 there were 1186 missionaries serving in the 39 countries where we have work. As of August 1, 1958, 1251 men and women were serving these fields. Since appointment of the first Southern Baptist Missionary in 1848, some 2393 persons have crossed the seas to serve under our Board.

Among the 108 missionaries appointed in 1957, there were only 11 single women. This points up the very urgent need for a much larger number of young women who will respond to God's Call to meet pressing needs. "Last year," says Elmer West in his personnel report to the 1958 Convention, "in the face of critical need for 24 nurses, we were able to appoint only three. This was because these were the only ones presenting themselves." In addition to nurses, doctors and teachers are greatly needed; and always there is the urgent need for preachers overseas.

Losses in 1957 through death, retirement and resignations amounted to 36, leaving us a net gain of only 72 for the year. Our goal of 1750 missionaries by the end of 1963 requires a gain of 94 per year. This means that our immediate goal for 1958 of 130 appointments is a serious need. As of August 1st, 65 of these had been sent out by the Board, only half our goal with but a third of the year left. The Board is ready to send every acceptable candidate to a foreign field of service. It is up to us at home to "pray the Lord of the Harvest to send forth labourers," and to yield our own lives to such a call if God so wills.

Foreign Mission Board Assets for the calendar year of 1957 stood at a total of $17,182,432.44 and the income for the same year totaled $14,-

208,678.80 including all sources. Expenses totaled $13,989,546.40 leaving a net income for the year of $341,322.33.

Churches affiliated with our Missions Board in 1957 totaled 2,938. They reported 25,078 baptisms during the year. Theological institutions number 32 in 28 different countries with a total enrollment of 1,373. Medical centers are operated in 19 countries, with hospitals in 10 of them and clinics in 9 of them. Dr. Baker James Cauthen began his report to the Southern Baptist Convention this year with these burning words:

"In thinking of evangelism on a world scale, I am impressed to say again to Southern Baptists that the need for men with hearts aflame, with zeal for Christ, and compassion for the souls of men is urgent. We need men on the mission fields who have a vision of winning people to Christ and developing strong New Testament churches."

Dr. Cauthen spoke again of prayer. "Our greatest unharnessed potential is prayer. If the Southern Baptist Convention can give itself to intercessory prayer, we will find power in our churches to lead toward heroic dedication of life and possessions. Missionaries and their fellow Christian workers throughout the world will feel fresh power in leading people to Christ and developing churches." These words compose the most worthy challenge to conclude this report.

The Annual Sunday School Report

On behalf of the entire staff of associational Sunday School officers, let me pledge our adherence to the ideal that our task is one of service. Our only purpose is to help the churches through proper use of their Sunday Schools to reach the lost for Christ and lead the saved to acknowledge The Lordship of Christ in daily living.

This year our association is reporting 41 churches and 41 Sunday Schools. Our Sunday School enrollment this year is 9,036. an increase over last year (8798). An increase of 238.

Achievements this year include:

18 churches observed January Bible Study.
39 Vacation Bible Schools were held.
0 new Sunday Schools were started.
22 churches reported 619 training rewards.
3 Sunday Schools achieved the Standard of Excellence.

We respectively make the following recommendations:

1. That we adopt for this year the theme, "That They Might Have Life."

2. That the Sunday School leadership of each church in our association be urged to:

Determine to gain a minimum of 10% in enrollment and 15% in attendance.
departments.
Move up the pattern of organization by starting new classes and

Start a new Sunday School this year.

Follow a weekly visitation plan.

Provide a training program which would include January Bible Study Week, Jan. 5-9, Preparation Week, and Operation Home Study.

Hold a vacation Bible School and conduct a mission Vacation Bible School.

Give priority to personal witnessing.

Encourage all Sunday School workers to participate in the regular associational Sunday School meetings and programs in order that our own work may be strengthened and that, through co-operation, all churches may carry out their divine commission.

3. That the Associational Sunday School leadership be urged to: Enlist a complete organization.

At a clinic, train the Associational Sunday School officers and plan the help for the churches, a year in advance.

Plan and direct associational group training schools, (on a date to be set).

Provide regular meetings for training and inspiration for the Sunday School workers, in the churches as follows:

November 2, with suggested emphasis on training.

February 1, with suggested emphasis on Evangelism.

May 3, with suggested emphasis on Better Bible Teaching.

August 2, with suggested emphasis on 1959-60 Sunday School Program.

Our Sunday School Enlargement Campaign was held Feb. 15-21, 1958. 22 churches participated.

Our Sunday School officers strength for the association is one of the top 23 with 100% efficiency, having an "A" rating.

Annual Report of Associational Training Union

The Executive Committee met in November, 1957, and planned for the "M" Night Program. The meeting, held in the Rose Hill Church, was attended by 682 people. Beulah Church, with an enrollment of 34, had the highest percentage with 33 present. Bear Marsh with 77 had the largest church group present. Eight of the churches at this time did not have Training Unions—Hallsville, Evergreen, Center, Alpine, Ebenezer, Union Grove, Calypso and Faison. Faison was the only church with no Training Union that had people in attendance. The goals for the coming year were presented, and Brother Julian Hopkins challenged our hearts with the need for evangelism. This year we plan to have "M" night at the Kenan Memorial Auditorium, so that we may have everyone in a group to see the program personnel. Our goal is 1000.

The Executive Committee met at the Missionary's home January

17, 1958. At least three things were accomplished at this meeting: (1) A date was set for the Associational Training Union Officers to study *The Associational Training Union Handbook*. (2) A Youth Committee was appointed to make plans for Youth Night. (3) August 29, 1958, was adopted as the date for a Training Union Banquet.

The Associational Training Union Officers met at Grove Park Church, February 13, to study *The Associational Baptist Training Union Handbook*. Nine of the fourteen leaders were present.

The Youth Rally was held in the Rowan Baptist Church, April 12, 1958, with a team of young people from the Southeastern Seminary. There were about 100 people present.

The Tournaments were held at the Magnolia Church on April 13, 1958. Twelve Juniors participated in the Junior Memory Work—all were winners. Becky Southerland from the Bear Marsh Church was the only participant in the Intermediate Sword Drill. There were no participants for the Speakers' Tournament. Four adults took part in the Bible Reading with Mrs. Luke McLamb as winner.

A banquet was held at the Rowan Community Building August 29, 1958. The Training Union theme for 1959 was used—"Thou Art the Christ." There were 174 people served, representing 17 of the 41 churches.

One new Training Union has been organized during the year at the Evergreen Church, Delway. Faison and Calypso are the most likely churches to organize Training Unions during the coming year.

Report of Committee on Meeting Places, Etc.

As a special committee appointed by the moderator and authorized by action of the Association Council to study the matter of meeting places, arrangements, etc. of our annual associational meetings we submit our recommendation below.

We have projected a ten-year plan and have included all 41 churches. Realizing that churches entertaining the association receive blessings as well as render service, we suggest that we continue having two different places for the meeting each year. We have arranged the schedule so the meetings will be in different geographical areas each time. We have also considered the previous time the churches entertained the association and have placed those churches serving most recently nearest the end of the list. The larger churches are listed separately and the other churches are grouped, but in each group we feel that at least one church (appearing first in the group) has the physical facilities to accommodate the meeting and that the smaller churches will assist in serving. Where there are two in a group with comparable facilities, such as Ingold and Garland (for 1959), we ask that they decide which church will be the host church and notify the associational clerk before the minutes for the year prior to their date

are printed so we will know one year in advance where the meetings will be held.

Brotherhood Report 1957-58

The fact that about a fourth of our churches are utilizing the manpower that is available through a Brotherhood organization, indicates that most churches have failed to catch a glimpse of all the possibilities of this rich field. Perhaps many say that their church is too small for such an organization but if we wish to use every means to improve and strengthen our churches then we are overlooking one of the richest sources. The Brotherhood program seeks to enlist every man in the total program of the church—leading to dedicated manpower. With more and stronger Brotherhood organizations in our association, greater and better things can be accomplished for the Kingdom of Christ on earth.

Our Association can have a Brotherhood for every church. Let's make that a goal for this coming year. Yes, it will take work but it will pay rich dividends in dedication, prayer, Bible study and promotion of the entire church program.

We had one Brotherhood started in the Beulah Baptist Church this year. It is our prayer that more churches will provide this ministry for their men and assume the sponsorship of the Royal Ambassadors.

On May 1, 1958, the Region 3 Brotherhood conference was held in the Salemburg Baptist Church, Salemburg, N. C., with the New South River Association as host.

Report on Music Education

Soon after the annual meeting of our Association last October and the election of the director of music, a standard committee of eight people was appointed to assist in planning and carrying out the year's program—the moderator and missionary are automatically members

of this committee and the following persons: Mrs. Rufus Herring, director of training; Mrs. Eugene Hager, director of instrumental activities; Rev. Bob Melvin, director of pastoral activities; Mrs. C. G. Edge, Jr., director of congregational activities; Rev. Julian Motley, director of graded choir activities; and Mr. Jeff Honeycutt, director of publicity. This group has met during each quarter of the year and had an average attendance of six of its members during each occasion.

There have been four highlight events during our year in music education work. The first was a carol sing held on December 8 in Turkey Church. Almost three hundred people came to worship in this program of Christmas music; and, besides the congregational singing, six of the adult choirs in the Association brought special music. On January 16, seventy-five of our pastors, choir directors, and choir members came to the Magnolia Church for a conference led by Mr. Joseph O. Stroud, state director of music. Mr. Stroud was delighted with the way in which our people attended and responded to this event, and he was most helpful to us in getting our work underway. On June 15, in the Grove Park Church our second hymn festival was held; and, in spite of the uncomfortably hot weather at that time, approximately two hundred people attended. On this program five of our adult choirs and three children's choirs brought special music, and the spirit of worship was one of unusual joy and reverence.

The climax of our year in music burst forth during the week of June 23 through June 27, when twenty-six of the forty-one churches participated in our first school of music in the Warsaw Baptist Church. On each of the five evenings we had a brief devotional service, a class period and a choir practice of forty-five minutes, and the following courses were taught: two books in the theory of music, one in accompanying, and one in choir conducting. The school was under the direction of Mr. Bruce Sloop, music director in the First Baptist Church of Goldsboro, and he remarked during the week that our attendance was so good and the spirit so fine that he believed the school included Eastern North Carolina rather than merely the Eastern Association. There were two hundred and forty people enrolled and an average attendance of one hundred sixty-six.

And now, for the members of the music education committee and for myself, I want to thank all of you who have co-operated in helping us to have a most fruitful year in our music program, and it is our sincere prayer that the year to come may be even more successful in the music of our churches and consequently, for our Association.

Mary O. Honeycutt, Dir. of Music

Christian Literature

Last week we ran an add in the local newspaper to tell the people of the community of our merchandise. We expected results for, *"It Pays To Advertise."* Do you read the newspaper, magazines, and other publications that are available?

We are not going to waste time this a.m. by telling you about the trashy literature, offered for sale, on the newsstands of our nation. We are instructed in God's Word on this matter: *"Have no fellowship with the unfruitful works of darkness, but rather reprove them."* (Eph. 5:11) All of this so called literature is out of the very pit of hell, and satanic inspired.

The greatest Book of literature, in all ages, of course, is the Word of God. The Bible comes to our generation, as it has to all generations, since Moses wrote: *"In the beginning God,"* through human personalities, divinely inspired by the Holy Spirit. The education, consolation, and comfort that comes from the Bible is literature that is unsurpassed. *"Whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope."* (Romans 15:4)

Let us pause to pay tribute to those responsible for the literature of our denomination. We rejoice in the fundamental tone of Baptist publications. For many years we have taught a Sunday School Class with the assurance that our Lord and Savior was magnified, and His Word glorified in the material furnished by the Southern Baptist press. Our prayer is that we will continue to make Christian literature a must in reading and teaching.

Jesus said: *"If ye continue in my word, then are ye my disciples indeed; and ye shall know the truth, and the truth shall make you free."* (John 8:31-32)

Paul L. Cashwell

Summary of Council Meetings

The Associational Council has met four times since the last Annual Meeting of the Association. The first was at Johnson's on November 4, 1957. The report of the Committee on Committees was presented and adopted. Reports were heard from various officers of the Association. Ten dollars was appropriated for the use of the Music Committee.

The second meeting was held at the Beulaville Church on December 30, 1957. Dr. Herman Ihley, State Sunday School Secretary, was present and spoke concerning Sunday School Enlargement Campaigns. Attention was called to the fact that no church had yet extended an invitation to the Association for the second day of its Annual Meeting.

The third meeting was on March 31, 1958 at the Immanuel Church. Twenty churches were represented—one short of a quorum. Therefore, no action could be taken and all reports were received as information. Joe Everette, Chairman of Evangelism, said that incomplete reports showed that there had been at least 100 additions during the Simultaneous Revival. John Flake reported that notes on the Missionary's Home were due to the Warsaw Church ($2238.28) and the Bank of Mt. Olive ($4000.00). He further reported $1600 on hand or promised.

Miss Mary Honeycutt recommended that a School of Music be held June 23-27. The Moderator, T. W. Williams announced that the Executive Committee would meet after the Council to take any necessary action due to the lack of a quorum in the Council itself. T. W. Williams, having resigned as Pastor at Mt. Olive, expressed appreciation for the privilege of serving as Moderator of the Association and presented the gavel to Clarence Shipp, the Vice-Moderator.

The fourth meeting of the Council was held at the Kenansville Church on June 30, 1958. A motion that both days of the Annual Meeting be held at Rose Hill was passed. John Flake reported that the note to the Warsaw Church had been paid as well as $500 to the Bank of Mt. Olive. M. M. Johnson was elected to fill the unexpired term of T. W. Williams on the General Board of the State Convention. A motion was passed that the Moderator appoint a Committee of 5 to bring a report to the Annual Meeting of the Association concerning a plan for setting up the Annual Meetings of the Association. The Council voted to give its approval to the contemplated action of beginning a new church in Warsaw to be sponsored by the Warsaw Church and the Association.

3. To the representatives of the agencies of our convention who appeared on the program; and to Dr. E. L. Spivey, Dr. James S. Potter, Professors Garland Hendricks and Pope A. Duncan for their informative and inspirational messages.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

He used the Great Commission—go, teach, baptize, make disciples. Christians grow as they witness for Christ and by no other means. Report adopted.

He pointed out that the beginning of Baptist missions in foreign lands was with the Judsons and Rice who were sent out as Congregationalists and later became Baptists. We are indebted to Congregationalists who preceeded us in missions. What is the compulsion? (1) World Need; (2) Command of our Lord: stating that if every person in the world were saved, our mission still would not be completed. He quoted stanzas of two hymns as proof: "When this poor lisping, stammering tongue lies silent in the grave, then in a nobler, sweeter song, I'll sing thy power to save"; and, "I love to tell the story for those who know it best seem hungering and thirsting to hear it like the rest." (3) The compulsion to missions to me, he stated, is: the revelation of God in Jesus Christ. There are four great principles, each of which is related separately to the revelation of God in Jesus Christ. They are: (1) The Bible—the theme of which is the redemptive world mission of God; (2) the Gospel—good news—if a person has the gospel and has been claimed by it, he is also claimed by Jesus Christ for a mission of the gospel; (3) the Church—there are many things we could take from the church and still have the church, but if we take world missions from the church, we have no church. They are inseparable. (4) The Christian—the sense of missions is a distinctive mark in being a Christian.

48. The host pastor, Ted Adkins, was recognized and gave instructions concerning the dinner hour.

55. Report of Resolutions Committee was given by D. E. Parkerson—report attached. Report adopted.

56. Report of Constitutional Committee was given by Lauren Sharpe. Changes proposed in Constitution were: (1) Article 3, the words "Associational Missionary" be inserted following the six general officers of the Association and the balance of Article 3 to read as is. (2) Article 6—beginning "the replacement to be elected"—drop the words "with the other officers of the Association annually" and insert the following words, "by the Association annually." (3) Article 13—insert "Music Director" following the word "Treasurer" and in the last paragraph change the word "sub-committee" to read "Committees and any others". (4) Set articles 15-19 up one number 15 to 16, 16 to 17, 17 to 18, 18 to 19, and 19 to 20, and insert new article on the ordination committee as number

65. Special music was rendered by Mrs. Barbara Taylor of Clinton, First Church.

66. Rev. Gilmer Cross of Goldsboro, First Church, brought the closing message of the Association, speaking on the subject "The Justification of the Church". He stated that in 1958 there were over 5¼ million people whose names were added to the rolls of churches of all groups. Today, the sanctity of the home is threatened. There are organizations that contradict the church. There are churches that have no spirituality or religion. The church is justified in: (1) her Redeemer, (2) her mission and message, (3) her dynamics. In her Redeemer —Jesus said, "I will build my church". In her mission and message—Jesus said, "go, teach, baptize." In her dynamics—Jesus is the power for the church, as a passing gear in a car or an after burner in a jet. He stated in closing that when we as Christian fill our places that we will see the church of Christ moving.

67. D. E. Parkerson, presiding, thanked Miss Macy Cox for the books offered the Association. Dr. R. F. Marshburn made a few comments of historical events about the Ingold Church and some of the people in that area of the Association.

68. The 132nd Annual Session of Eastern Association closed with Rev. Ted Adkins, host pastor, leading in prayer.

The sixth meeting was held at Island Creek on July 20, 1959. An earlier action of the Executive Committee was approved. That action set up a committee to work with neighboring associations to study the possibility of re-distribution of Associations. This committee was composed of Mack Herring, chairman, Jerry DeBell, M. M. Johnson, and E. B. Hager as ex-officio member. A recommendation from the Pastors' Conference was presented that "after due consideration of the need for assistance in ordination services, that three pastors and two deacons be elected to serve as an ordination committee, who, at the request of any church or pastor needing advice or guidance in ordaining ministers or deacons, may give assistance." A motion was passed that this recommendation be submitted to the next annual meeting of the Association. A motion was made that the Moderator appoint a committee to secure a music leader for the Annual Meeting and complete plans for the School of Music in November. Another motion passed giving the Moderator authority to fill a vacancy on the Committee to Study the Annual Meeting Time. The Moderator appointed the following to serve on the Constitutional Committee at the Annual Meeting in October: Lauren Sharpe, L. H. Knott, and Paul Mull.

Respectfully submitted,

Missionary's Report

It has been a privilege and a joy to serve as Missionary during the past 7 months. Let me thank you for the kind words which you have spoken to me during that time, and for the cordial reception which you have given me everywhere I've been.

During the 7 months I have been Missionary, I have served in some way in at least 24 of our churches (more than once in many of them). In addition, I have visited in several others. And: led or participated in 23 group conferences, 9 committee meetings, and more than 120 personal conferences with individuals (pastors, laymen, denominational leaders, associational leaders, etc.). At present I am mailing about 185 copies of the Eastern Light each month.

Looking back over the past year, several things come to mind. One is that our Association is providing more opportunities in the form of Association-wide campaigns, clinics, conferences, etc., than ever before. Another is that our people are better informed about and show more interest in associational matters than ever before. This results in a closer, more meaningful fellowship among our people and churches.

Looking forward, we see such opportunities as a School of Music, Schools of Missions, Sunday School and Training Union quarterly leadership meetings, Vacation Bible School Clinic, and many others. Let us take full advantage of all of them!

If I can be of service in your church or to you as Missionary, please call on me.

Respectfully submitted,

Eugene B. Hager

Missions Committee

The Missions Committee held four meetings during the year. The first was held November 16, 1958, and the Committee heard a report from Rev. Paul Mull relative to the progress of the New Work in Warsaw. He reported that a great deal of interest had been shown and that 47 people had enrolled in Sunday School.

Rev. U. A. McManus presented some of the needs of the Mission to the Committee. After it was brought out that the Mission had a possible building site under consideration, a committee of three members from the Missions Committee was named to make a study of the proposed building site and report back.

Rev. U. A. McManus, our Associational Missionary, offered his resignation which was accepted reluctantly. Brother McManus was called to serve as pastor of the North Rocky Mount Baptist Church.

The second meeting of the Missions Committee was held November 18, 1958. After much discussion relative to a possible site for the Warsaw Mission, a committee was named to make a study of two pieces of property under consideration by the Mission. The committee, composed of Rev. Paul Mull, representing the Mission; Rev. D. E. Parkerson, from the Warsaw Church; and Mack Herring from the Missions Committee, recommended that the Association secure a twelve-month option on the Phillips property and the cost was to be $276. This amount was to be a part of the $600 for Missions included in the associational budget for this year. The Associational Council obtained the option as recommended by the Committee. After discussion, it was agreed that the final decision, in regard to location of the building site, would be left to the Warsaw Mission.

The third meeting was held January 18, 1959. After considering several possibilities, the Committee voted unanimously to recommend that the Association extend a call to Rev. E. B. Hager as Associational Missionary. The call was extended by the Council and Bro. Hager accepted the work.

The fourth meeting of the Committee was held on August 23, 1959. At this meeting the Committee voted to recommend to the Associational Executive Committee that the remainder of the $600 above the $276 for the option on the Phillips property be turned over to the Mission. The remainder would amount to $324. On August 23, 1959, the Baptist Chapel Mission in Warsaw became Calvary Baptist Church. Rev. Paul Mull is the pastor.

It is gratifying to see new mission work being organized and making great progress. May each of us do our part for the sake of our Master, in order that His Kingdom may be strengthened.

Respectfully submitted,

Mack Herring

Sunday School

The task of our Associational Sunday School organization continues to be one of service to the churches within the Eastern Association. The scope of our work is always increasing as more of our people catch the vision that the Sunday School is the greatest soul-winning agency of the church.

This year our association is reporting 42 churches and 41 Sunday Schools. Our Sunday School enrollment this year is 9,181, an increase over last year of 145.

Achievements this year include: 22 churches observed January Bible Study; 39 Bible Schools were held; 1 new Sunday School was started; 18 churches reported 320 training awards.

The following recommendations are made:

1. That we adopt for this year the theme: "Teaching them . . . all things."
2. That the Sunday School leadership in each church in our association be urged to: (a) determine to gain an enrollment increase of 10%; (b) move up the pattern of organization by starting new classes and departments; (c) deepen the preparation of all workers through: (1) encouraging every worker to read the Bible through during the year, (2) providing a Bible Survey Plan for Sunday School Workers, (3) adopting a goal of at least two awards for each officer and teacher.
3. That the Associational Sunday School organization provide regular meetings for training and inspiration for Sunday School workers in the churches as follows: November 1, with suggested emphasis on Sunday Procedure; February 15, with suggested emphasis on "What Is Teaching?"; May 9, with suggested emphasis on "Teaching Methods"; August 15, with suggested emphasis on "Evaluating Results".

Woman's Missionary Union

The W.M.U. year 1958-59 was begun with the Leadership Conference at Sharon. Two hundred leaders came for the program of training which was led by the Associational Officers.

The Annual Meeting on April 16, 1959, held in Warsaw with the Johnson's Church, marked the fiftieth anniversary of Woman's Missionary Union in Eastern Association. "Fifty Years of Praise" brought words of encouragement from the five past presidents. Miss Lydia Green, missionary to Singapore, was our speaker. We shall long remember her testimony of how a little child led them into great service for our Lord. At this meeting we rejoiced to recognize our youngest W.M.U. — Baptist Chapel, Warsaw (now Calvary Church). This brought our total number to thirty-nine.

In June, seven Associational W.M.U. Officers attended the State Workshop at Southeastern Seminary.

"Laborers together with God" is the W.M.U. watchword. Not only must we sense the urgent responsibility to be more faithful in our prayers, study and gifts of self and money, but we must be laborers as concerned for the conversion of those around us as we are for the heathen.

Mindful of our many failures, we are grateful for fifty years of dedicated service by our women and I sincerely trust that the next era will see comparable progress as we go forth in His name.

Mrs. Percy E. Thigpen, Jr.

Training Union

There have been four major highlight features in Associational Training Union work during the past year:

1. "M" NIGHT — The "M" Night program was held December 1, 1958, at the Kenan Memorial Auditorium. The speaker was James P. Morgan, State Training Union Secretary. Mr. Morgan stated that the "M" Night program in Eastern Association was one of the best he had ever attended. There was a crowd of 611 in attendance with a total of 33 churches represented. Beulah Church, with an enrolment of 34 and a total present of 39, received the banner for having the highest attendance percentage. Bear Marsh had the largest number present with 55 in attendance. Plans for "M" Night 1959 are to have the meeting in the Kenan Memorial Auditorium again. Rev. Douglas Aldrich, pastor of Forest Hills Baptist Church, Raleigh, has already been secured to address the "M" Night crowd and an attendance goal of 1000 has been set.
2. TRAINING UNION ENLARGEMENT REVIVAL — The dates for this were February 8-14, 1959. In the 12 participating churches there was a total of 62 new units of work organized and a total of 116 new leaders enlisted. This alone was worth all our effort. Since the campaign, one church that did not participate has conducted the enlargement revival on a local church basis. It is my prayer that more of our churches will see the need to do the same thing.
3. YOUTH NIGHT — Youth Night was held on April 11 at the Rose Hill Church. The three conferences for young people were: (1) "Love, Courtship, and Marriage", led by Mrs. Gilmer Cross; (2) "Social Issues", led by Rev. Julian Motley; and (3) "Christian

Education and Vocation", led by Mr. James P. Morgan. The adult conference was led by Dr. Elmer H. Johnson of the Department of Rehabilitation and Training, State Prison, Raleigh, N. C. The topic was "Juvenile Delinquency and the Parent". The attendance was 82 with 14 churches represented.

4. TRAIN UNION TOURNAMENTS — The Tournaments were held at Rowan Church April 26, 1959. Several juniors from the Rowan, Warsaw First, and Rose Hill Churches participated in the Junior Memory Work Tournament, all of whom were winners. There were no participants in the Intermediate Sword Drill. Miss Rebecca Smith of the Rowan Church was the only participant in the Speakers Tournament, and Mrs. J. C. Savage of the Corinth Church was the only participant in the Adult Scripture Reading Tournament. All who participated in the tournaments were declared winners. The Juniors were also State Winners at Caswell.

A Training Union Banquet had tentatively been planned for September. Several circumstances, however, made it impossible to have the banquet. It is our present plan to include such a banquet in the Training Union activities for next year.

Two new Training Unions were started during the past year — Calypso and Baptist Chapel (now Calvary Church). These new Unions are making remarkable progress. The addition of these leaves a total of 11 churches without Training Unions.

A total of 846 Training Union Awards were received from October 1, 1958, through September 22, 1959. Let us keep up the fine work.

W. A. Wallace

Brotherhood

As we look at the statistical records of our progress in the churches of our association, we find that we have made remarkable progress in every area of our church ministry, except for our Brotherhood organizations. To my knowledge, not one new Brotherhood was begun in our association this year. This is a sad record when you consider the fact that there are thirty churches that do not have Brotherhoods. Every church with a Brotherhood has already demonstrated a concern for the manpower on its church roll. Churches which have not demonstrated such concern need to consider their manpower, enlisted and unenlisted. A Brotherhood is an instrument of a church to enlist men, to challenge and put men to work in a church-centered program. No church can afford to miss out on such a valuable ministry.

Rev. Clyde Davis, former missionary of the New South River Association, has recently been named as our new State Brotherhood Secretary. Mr. Davis is one who knows and loves the Brotherhood work and I am sure that this ministry will go forward under his capable leadership.

Some pastors and laymen have stated a desire for a Brotherhood in their church; some have indicated that plans were being made to organize in the very near future. Now is the time to meet the challenge of enlisting our men.

Report of Committee to Study Association's Meeting Time

The Committee reports that it looked with favor on the possibility of a one-day meeting (daytime meeting) in the spring and a one-day meeting in the fall; but, we feel that the matter needs further study. Therefore, we suggest that a new committee be appointed or that the present committee be continued for one year and that the Associational Missionary get information from associations now having meetings in the spring and in the fall and that the report be presented to the Association in annual session in 1960.

Reasons:

1. Attendance smaller on second day of meeting.
2. Less difficult to get church to entertain Association, might be more convenient for some in spring than in fall.
3. Program personalities less difficult to secure because of many pressing calls on their time.
4. We could meet in one end of the Association in the fall and the other end in spring.

Foreign Missions

Ten years of constant advance can be seen in Foreign Missions through the Cooperative Program in that in 1948 Baptists gave $2,107,984 for mission work on foreign fields through this channel and in 1958 the total given was $7,608,182. While the figures indicate a steady increase of funds available for mission work on foreign fields, world population has been increasing by nearly 50 mllion each year. Thus our increase in support through the Cooperative Program is not as pronounced as it seems to be at first glance. Dr. Cauthen stated at the '58 Convention, "Our government has given 110 times as much for foreign aid as Southern Baptists have given to the mission cause." This is shockingly true.

The Foreign Mission Board is advancing and promoting a plan whereby we might make our advance even more pronounced. It is the "2 Plus Plan", a plan which calls for each church to increase its giving in the amount of 2% of the total budget channeled to missions through the Cooperative Program each year from 1960 through 1964. The obvious total increase for the five year period will be 10% of each church budget if adopted.

Having devoted adequate space to the means whereby we evangelize the world there is need to look at the manpower need. At present our Convention has more than 1350 missionaries in 40 countries around the world; the goal is to have 1750 in active service by the end of 1963. Today, there are nearly 3 billion people in the world. At least two thirds of them are yet to be reached with the message of Christ. With every passing minute the total grows larger — at such a rate, in fact, that there will be nearly 300 million more before the end of our Baptist Jubilee year, 1964. If you were to count one lost person a second it would take more than 9 years to count them, not counting those yet unborn. This past year there were more than 10 times as many requests for additional missionaries from the various mission fields at the Foreign Missions Board was able to send.

Evangelism

In the Great Commission, Jesus said "Go", "teach" with the purpose of making disciples; "baptize" and "teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus, Jesus puts soul-winning first in His total program with a definite command. In every church or associational program, soul-winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore cannot expect His empowering and blessing upon the efforts put forth.

During the years 1959-64, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul-winning in the foreground of their respective programs. In 1959 it appears that real progress has been made in this direction. Reports received in the Office of Evangelism in Raleigh indicate that the Simultaneous Evangelistic Crusade over the State was the most fruitful ever. With one exception, every association in the state participated. Most of them did more praying, planning, and working to win all the people to a full committal to Christ than ever before. Figures in the Raleigh office for the State show about 15,000 baptisms, 20,000 total additions, and that more than 2,000 young people offered their lives for full-time Christian vocations.

In the Eastern Association, reports on the 1959 Simultaneous Evangelistic Crusade reveal that 27 of the 42 churches participated, and that they reported 166 baptisms, 64 other additions for a total of 230 additions.

Additions to the churches for the year in the associaion were: baptisms 377, other additions 282 for a total of 659. This is an increase over 1958 of 106 in baptisms and 168 in total additions.

The ratio of baptisms to church members is 1:22 for Southern Baptists and 1:25 for North Carolina Baptists. Our association's ratio for 1957 was 1:22. It was 1:32 in 1958, and this year it is 1:26. The goal of Southern Baptists in ratio of baptisms to church members is 1:8. This constitutes our greatest challenge. Only as we get soul-winning in the forefront of our total program can we become obedient servants of Christ. In an effort to achieve this objective, I move that we in the Eastern Association:

1. Conduct a clinic devoting two sessions exclusively to evangelism on either January 18, or 25, 1960.
2. Conduct a Simultaneous Revival Crusade with as many as possible of our churches participating during the two week period of October 16-30, 1960.
3. Authorize the expenditure of necessary incidentals up to the amount of $30 out of the amount set up for Miscellaneous ($280) in the 1959-1960 budget.
4. Instruct the incoming Budget Committee to include in the proposed budget for 1960-1961 an item of $300 to finance the Simultaneous Evangelistic Crusade.
5. Endeavor to have all churches sustaining perennial programs of evangelism with soul-winning in the forefront of the total program in every church.

L. H. Knott,

Chairman of Evangelism

Home Missions

Dr. Courts Redford, Executive Secretary-Treasurer, reports that on May 1, 1959, the number of mission personnel reached an all-time high of 1,386. In addition, about 450 student summer missionaries worked for ten weeks under the direction of home missionaries, and 382 Southern Baptist chaplains were on active duty. During 1958, the Home Mission Board reported 41,859 professions of faith and the chaplains reported 11,203 professions of faith. Home missionaries led in constituting 399 new churches and 564 new missions during the year. The missionaries entered 30 new fields in language missions.

A most significant advance was the re-organization of the board. Five divisions were formed to unify, strengthen, and correlate all the work. The divisions are: missions, evangelism, education and promotion, church loans and chaplains.

The need for mission work in the pioneer areas was recognized by the survey committee in its report to the convention this year. In Chicago, the Baptist churches are being constituted in a ring of the down-town area. Six units are now complete. In New York, the Manhattan Baptist Church now has a new home and in just about a year's time this church has three missions. There are now 68 city mission programs throughout the convention and plans are to add five more during the next few months.

The Church Loan Fund has been increased to strengthen the Board's participation in the 30,000 movement. Pastoral aid, given by the Board, is a key factor in the establishment of new missions and churches. The Home Missions Board has made fine progress toward achieving its Jubilee Advance goals. Some of the goals are being revised upward in order to present a bigger challenge. 1958 was a year of prayer and thousands signed commitment cards. Over 29,000 churches participated in the simultaneous crusades in 1959. Extensive plans are being devised to conserve the results of our evangelistic efforts through the Board.

CHURCH COVENANT

Having been led, as we believe, by the spirit of God to receive the Lord Jesus Christ, as our Saviour, and upon the profession of our faith, having been baptized in the name of the Father, and the Son, and the Holy Ghost, we do joyfully enter into covenant with one another as one body in Christ. We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love, to strive for the advancement of this church in knowledge, holiness and comfort, to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines, to contribute cheerfully and regularly to the support of the ministry, the expenses of the church. We also engage to maintain family and secret devotion, to religiously educate our children, to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world, to be just in our dealings, faithful in our engagements and exemplary in our deportment; to avoid all tattling, back-biting and excessive anger, to abstain from the sale and use of intoxicating drink as a beverage and to be zealous in our efforts to advance the Kingdom of our Saviour. We further agree to watch over one another in prayer, to aid each other in sickness or distress, to cultivate Christian sympathy in feeling and courtesy in speech; to be slow to take offense and always ready for reconciliation and mindful of these rules of our Saviour—to secure it without delay. We moreover engage that when we remove from this place we will as soon as possible unite with some other church where we can carry out the spirit of this covenant and principles of God's Word.

REPORTS

Summary of Council Meetings

The Associational Council has met four times since the last Annual Meeting of the Association. The first meeting was at Calvary on October 12, 1959. The report of the Committee on Committees was adopted. Various other reports and announcements were given.

The second meeting was at the Immanuel Church on January 11, 1960. Charles Lee Pope was elected as Training Union Director to succeed Bill Wallace. A motion was made that the driveway of the Missionary's Home be paved and the following committee was appointed to attend to this matter: Boyt Lambert, chairman; Paul Mull and Amos Brinson. The report was given of action by the Executive Committee for a gift to the missionary and family at Christmas. This action was approved.

The third meeting was held at Cedar Fork on April 11, 1960. Since we were two churches short of a quorum, no business was transacted. Various reports and announcements were given and received as information. The Committee reported that the total cost for paving the driveway to the Missionary's Home was $167.

The fourth meeting was held at Grove Park on July 11, 1960. Jerry DeBell reported on the new mission sponsored by the Beulaville Church. Approval was given a request for state aid to the Beulaville Mission. The Moderator appointed the following Constitutional Committee: M. M. Johnson, chairman; Lauren Sharpe, Boyd Lambert. M. M. Johnson gave a report of the progress of his committee in its study of the time of the Associational Annual Meeting. The Council went on record as favoring the annual meeting as it now is. The missionary gave a report on developments in the matter of the new association in the Jacksonville area and the resulting realignment of Eastern and other Associations in this area.

Special Called Meeting of the Executive and Missions Committees

August, 1960

In this meeting the motion was made by M. M. Johnson that the Executive and Missions Committees look with favor upon a request from Beulaville for the $600.00 alloted to new work, to go to the mission sponsored by the Beulaville Church, upon approval of the Association in its annual meeting. Motion was seconded and adopted.

Missionary's Report

Each of the past 3 years has seen a major Association-wide campaign in Eastern Association. In 1958 it was Sunday School Enlargement; in 1959 it was Training Union Enlargement; in 1960 it was Schools of Missions.

In 1961 we plan a Church-Community Survey. Tentatively for 1962 we plan for a Pastor-led Sunday School Enlargement Campaign. In addition to these, this will be the third straight year that we have had simultaneous revivals. And we plan to continue them each year. Other features have recently become a part of our Associational work also—such as the Associational Clinic on Evangelism, Schools of Music, Clinics for Church Officers, and Quarterly Sunday School Leadership Conferences. And, of course, we have been having the Bible School Clinic, "M" Night, and "Youth Night" for some years now.

It is obvious that the Association is providing more opportunities for our churches than ever before. The tragedy is that many of our churches are failing to take full advantage of these opportunities. In some instances those failing to do so are the ones who need them most.

As Missionary, I have visited every church in our Association (except Ebenezer which no longer holds services). One need has impressed me very strongly. Our churches need more training for leaders in organizations that recently have been enlarged. This year we are going to try to provide more training for your leaders. That will be the purpose of the Central Training School for Sunday School Workers in February. And an intensive effort is being made to improve the Quarterly Sunday School Leadership Conferences. Of course, there is the Bible School Clinic and the Clinic for Church Officers. I hope that your church will take full advantage of all of these opportunities. They won't help you unless you do.

It has been a privilege to render service in many of the churches during the past year. Although the Missionary has many duties on the Associational level, I feel that one of his most important duties is to be ready to render service to an individual church when that service is needed. Please feel free to call on me!

Respectfully submitted,
Eugene B. Hager, Missionary

Missions Committee Report

When we take a look at the records we can see constant advance, for a period of several years, in our associational mission work. This progress could not have been possible without the remarkable cooperation of the leaders of our association along with the splendid support from the forty-two churches.

Our Missionary is making every effort to promote each phase of our mission program. May each of us lend our support to help strengthen the work in order that we may go forward in the "Name of Christ."

The Beulaville Church is sponsoring new work in that area and reports indicate that outstanding progress is being realized. During a joint meeting of the Missions Committee and Executive Committee held in Warsaw the new mission applied for assistance in the amount of $600.00 from the Eastern Association. It was pointed out in the discussion that the Beulaville church is considering joining another association at an early date. In view of this fact the matter of assistance was referred to the association for consideration.

Mack Herring

Foreign Missions Report

The nature of our Foreign Missions Report for this annual session of our Association will be somewhat different from the ordinary. I have been asked to make a first-hand report on observations gathered during my recent tour of our mission work in South America. This kind of report becomes a joy and privilege in the light of the wonderful effort being put forth by Baptists through our Foreign Mission Board.

First, I should like to make a statement about the quality of missionaries serving us in South America. As I traveled from country to country, I was amazed and pleasantly surprised to find the highest caliber of Christian servants I have seen. The men were well-trained, mentally alert, spiritually concerned, and physically attractive. Each one with whom I talked could have easily been a successful pastor here in the states. Our lady missionaries were the most pleasant, well-adjusted people with whom I have had association. Each one could easily be a dynamic Christian leader at home. These dedicated servants are making lasting impressions among the eager souls of South America.

I traveled from city to city eagerly observing the work being accomplished. I was shown a new mission church in Quito, Ecuador, recently begun to reach the school children in its community. I visited a new seminary in Lima, Peru, purchased with Cooperative Program money. I stood in amazement before our largest seminary in Buenos Aires, Argentina, a work which would be outstanding, even if it were here in the United States. I noted with interest the many church buildings in the process of being built with the Lottie Moon Christmas Offering and the special gifts of Mr. Maxie Jarman of the Jarman Shoe Industries. These efforts are permanent ones. The buildings and the work being accomplished say to our South American friends "Southern Baptists are here to stay as long as we are needed." This work is a long range work; a hard work and yet, the shining faces of the new converts attest to the fact that all of it is worthwhile.

I was proud to be a Southern Baptist as I noticed the thoroughness with which all needs for effective mission work have been supplied. Our missionaries have modern transportation, even in the remote areas. They live in warm, attractive homes. They are provided with good medical attention. The churches which are being built under our missionaries' guidance are not second class. Everything in our missions program speaks of a Saviour who asks for the best and in return He offers the best.

South America and the other mission fields of the world are far removed from us. My friends in Bogota, Columbia, asked the universal mission question, "Won't you please send additional missionaries to help us?" We have the opportunity to give of our sons and daughters to the world-wide cause of missions. Through the Cooperative Program we can enter into world missions advance by giving our money for proper missions support, and through prayerful interest in the Kingdom of God, we can pray that the Lord of the harvest will send forth laborers into His vineyard to share the Gospel of Christ which is able to transform human personality through Jesus Christ.

Music Committee Report

The Eastern Association held its School of Music at the Warsaw First Church, November 2-6. The School, under the direction of Mr. Joe Stroud, State Music Secretary, offered classes in Hymn Singing and Hymn Playing for choir members, directors, organists and pianists. The faculty included Mr. Stroud, Mrs. Barbara Taylor, Mrs. Rufus Herring and Mrs. Bruce Dellinger. The enrollment was 155 with 20 churches represented. The average attendance was 87. Mt. Gilead, Warsaw, Bear Marsh, Rowan and New Hope Churches had the largest number enrolled. We feel that the school did much to improve the quality of music in the churches which participated.

Still fresh with enthusiasm from the School of Music, several of the churches in the association met at Grove Park Church on Sunday afternoon, December 13, for a Carol Sing. The emphasis was on congregational singing, which was under the direction of Rev. W. A. Wallace. Special music was rendered by the Immanuel and Grove Park choirs and by Mrs. Richard Craig.

Respectfully submitted,
Mrs. Bruce Dellinger

The Music Nominating Committee wishes to submit the name of Rev. Dorris Norman as Music Director for Eastern Association for 1960-61.

Christian Literature Report

When we discuss Christian literature we naturally think first of the Bible, which is the revelation of God, delivered by Spirit-inspired men. This divine origin of the Scriptures gives them true meaning. Therefore each person should be free to read the Bible daily.

The Southern Baptist Convention which met May 11, 1891 provided for a Sunday School Board to be located in Nashville, Tenn. As we know, this Sunday School Board has grown until its service extends beyond Jerusalem to the uttermost parts of the world.

We have other publishing houses: Royal Service, from which our WMS gets her program, is published in Birmingham, Alabama. The Commission which keeps us in touch with the work of our Foreign Missionaries is published in Richmond, Virginia by the Foreign Mission Board. Home Missions is published in Atlanta by the Home Mission Board.

Our own state paper, The Biblical Recorder, is published in Raleigh. This publication is worthy of our careful reading.

The literature of Southern Baptists is:

1. Doctrinally sound.
2. The writers are carefully chosen.
3. The materials are carefully checked before publication.
4. Well-written for each group for which it is intended.

The editorials in the various magazines inform us of:

1. The needs of our organizations.
2. The current events that concern our welfare.

I would like to call your special attention to Home Life magazine as it is written to help every member of the family. I would urge you to make use of all our literature.

Respectfully submitted,
Mrs. Lula Q. Parker

Report Of Committee On Youth Camp

This committee met and discussed what we felt was our responsibility in determining the need of an Associational Youth Camp. The general feeling among the committee was that it would be unwise for our Association, with facilities of Caswell Assembly so close by, to go to the expense of trying to have a program of our own.

Therefore, the committee on Youth Camp recommends to Eastern Association that we do not make plans to establish a Youth Camp and that we commend to the Baptists of our Association Caswell Assembly as a place of inspiration and fellowship for our young people.

Sunday School Report

Dr. A. V. Washburn in his book "Outreach for the Unreached" states that through the years the following statement of definition has come to be quite generally accepted: "The Sunday School is an agency of the church led by church-elected, consecrated officers and teachers, organized for effective work and set to a fourfold task of (1) reaching the people, (2) teaching the Bible, (3) winning the lost, and (4) developing the saved through using the church members in effective service."

To the extent that the churches of the Eastern Association have given emphasis to the theme for the year: "Teaching them . . . all things" the Sunday School's fourfold task has been made more vital. In this connection, achievements for the year include: 19 churches observed January Bible Study; 40 Vacation Bible Schools were held; 1 new Sunday School was started. The enrollment this year in the 42 churches and 2 missions is 9,096, a decrease from last year of 85.

It is being found that the churches that conduct an intensive period of preparation during the month of September for the new Sunday School year can do better work after this period of planning and goal setting.

As a new slate of officers are elected for the new year, they will need the prayerful support of every church in the Association, as they dedicate themselves to faithful service in this phase of Christ's kingdom. Each church of the Association can be blessed by the Associational Sunday School Organization if she will send a goodly number of her officers and teachers to each of the four quarterly meetings that will be conducted. Promote effectively and have a large number at each meeting.

The following recommendations are made:

1. That we adopt this year the theme: "Outreach for the Unreached."
2. Goals in training are: 100 training awards in Category 17 of the Church Study Course for Teaching and Training; 25 churches observing January Bible Study Week, January 2-6, 1961; a Central Training School to be held February 20-24, 1961; and the Bible School Clinic to be held April 18, 1961.
3. Goals in enlargement are: 5 per cent increase in enrollment; 12 churches observing Preparation Week, Sept. 17-24, 1961; 8 churches engaging in Operation Home Folks; 10 new classes and 41 Vacation Bible Schools.

Jerry DeBell

Training Union Report

In our Associational Training Union work for the past year (1959-60), we had three major highlights. They are as follows:

1. "M" Night. Our "M" night program was held in the Kenansville Memorial Auditorium on December 7, 1959 with 473 in attendance. Beulah Church won the efficiency banner and Warsaw First won the high attendance banner. The guest speaker for the meeting was Rev. Douglass Aldrich who is pastor of the Forest Hills Baptist Church, Raleigh, N. C.
2. Training Union Tournaments. The tournaments were held at the First Baptist Church, Clinton, Sunday afternoon, April 10. The attendance for the meeting was not as good as had been expected although there were participants in each of the tournaments—Junior Memory Work, Intermediate Sword Drill, Young People Speaker's Tournament, and Adult Scripture Reading. A group of Juniors from our Association were State winners, and Mrs. Aubrey Quakenbush, who represented our Association in the Adult Scripture Reading Contest, was winner for our State. We are very grateful for those who took part in all of the tournaments and for those who worked to make their participation possible.
3. Youth Night. Youth Night was held at Grove Park Church on Saturday Evening, May 14, with eleven churches represented and 108 in attendance. Four conferences were held: (1) "Steps in Choosing a Life's Vocation" led by Miss Frankie Martin; (2) Christian Courtship" led by Mrs. Jack Mansfield; (3) "A Christian and His Social Life" led by Rev. Cecil Odom; and (4) "A Christian and the Highway" for Adults led by Highway Patrolman H. E. Hawley. We challenge more of our churches to encourage the young people and intermediates to participate in Youth Night activities for 1961.

We feel that God had blessed each of us in our Training Union work in the past year, and we are praying that great things may take place in the new year as we work together with God.

Respectfully submitted,
Charles L. Pope

Report of Committee on Association Meeting Time, Etc.

The responsibility of this committee has been to study the suggestion of changing from a two days meeting of the Association in the fall of the year to a days meeting in the spring and a days meeting in the fall of the year.

After considerable study of the advantages and disadvantages of the change, we asked other Associations for help. Many of the Associations now have a day in the spring and a day in the fall of the year. Some of these reports favored this arrangement. More of the reports were unfavorable to the arrangement.

The Council of our Association by vote looked with disfavor on any change by our Association.

Therefore, the committee recommends to the Association that we continue the Annual Meeting of the Association as it is now being held, two days in October.

Woman's Missionary Union

We sing "Christ for the Whole Wide World." If we examine ourselves carefully we will sense a need for greater dedication and sacrificial effort in carrying out the commission of our Lord and Saviour Jesus Christ, when He commanded that we go into all the world. Did you know there are more Baptists in Mississippi than in all Asia? Did you know there are more Baptists in Alabama than in all Europe? Did you know there are more Baptists in Arkansas than in all of Latin America? Did you know that almost 30 million Americans under eighteen never receive any religious instruction whatsoever?

Woman's Missionary Union has long recognized the challenge of our master's words, "Ye are my witnesses." We seek to promote Christian missions by enlisting women and young people in a vital program of mission study, prayer, community missions, and stewardship. It is a dynamic organization influencing the whole church for missions.

This past year we have seen doors on our mission fields closed — closed except for the ever abiding influence of the Holy Spirit in the hearts of those touched by a witness provided through the prayers and gifts of those who would not take lightly God's command. When doors have closed new ones have opened. Will we wait too long for another manifestation of His power before we enter? The problem is not that the unsaved refuse to listen but that Christians refuse to tell.

Realizing that Christ was speaking to each of us let us pray—

"Lord, give me faith to live from day to day,
With tranquil heart to do my simple part,
And with my hand in thine, Just go thy way".

Brotherhood Report

The year that is closing in our Association has been marked with a degree of progress in our Brotherhood work. More churches are becoming aware of the need to discover men and their talents and to enlist them in every phase of the program sponsored by the church and denomination.

With a complete revision of our Brotherhood organizations, I know that our Brotherhood work in our churches is going to be more effective thereby reaching and enlisting more men in the ministry of the church.

The Royal Ambassador program in our association has been on the move and is showing signs of steady increase in numbers and enthusiasm. We hope to provide more opportunities of training for our Royal Ambassador Leaders in the coming year.

The door of opportunity is open for the Brotherhood. Let's RISE UP, O MEN OF GOD and take advantage of these opportunities.

The Brotherhood Nominating Committee submits the following officers for your consideration:

President, Jeff Honeycutt; Vice-President, C. J. Mercer; Secretary, Bobby Martin; R. A. Leader, Gordon Powell.

Resolutions Committee Report

The Resolutions Committee submits the following resolution for your consideration:

That the Association give authority to the Associational Council to grant and receive petitionary letters between sessions. This is for the purpose of receiving and releasing churches during the realignment of associations in Eastern, Wilmington, New South River and the new and yet unnamed association at Jacksonville.

Whereas, the Lord has so marvelously blessed the one hundred and thirty-third session of the Eastern Association, be it therefore resolved that we express our deepest gratitude:

1. To the Island Creek Church for the opportunity of meeting in their church for the Tuesday session, for the excellent parking arrangements and fine hospitality shown throughout the entire day, and for the fine meal served jointly by the Island Creek and Shiloh Churches.
2. To the Grove Park Church for the opportunity of meeting in their church for the Wednesday session, for their every preparation in making the session a successful one, and for the delicious meal served jointly by the Grove Park and Immanuel Churches.
3. To the program committee for a most informative, interesting, and inspiring program.
4. To the Campbell College Choir and others who have furnished special music for this session.
5. To Mr. L. J. Morriss, Rev. J. C. Mitchell and Dr. M. Ray McKay for such inspiring messages.
6. To our Association Missionary, Rev. E. B. Hager for keeping us so well informed of the activities of our Association, State, and Southern Baptist Convention.
7. To our Moderator, Rev. D. E. Parkerson for the orderly manner of presiding over our 133rd session.
8. To representatives of agencies and institutions who have participated in making this a most interesting as well as informative session.

Respectfully submitted,

J. Bruce Dellinger, Chairman;

Euodias F. Knight, Percy Gavin

Evangelism

There never was a time when the Gospel of Jesus Christ was not urgent, but many Christians have been slow to sense it. If circumstances can shock us out of complacency, then every Christian should be alerted today to the urgency of evangelism in this atomic age.

Southern Baptists have been blessed by God as few people have been blessed in all Christian history. However, along with these blessings there are inescapable responsibilities. We are Christians and we must share with those who are not Christians. We are the children of light and we must share with those who sit in darkness. In his message before the Southern Baptist Convention meeting in Miami Beach, Florida, Billy Graham said, "America is the world's greatest mission field." If this be true, and no doubt it is, and if Southern Baptists are the leading evangelical denomination in America, we must match this hour with total dedication to evangelism.

Therefore, we recommend:

1. That we strive to reach the "Evangelism Standard of Excellence" for our association annually.
2. That our association have an evangelistic clinic on Feb. 13, 1961. (Two to six months before the Baptist Jubilee revival.)
3. That our association participate in the Baptist Jubilee Revival, and that we set annual Baptist Jubilee Revival dates through 1964. (A map showing the dates for 1964 in North Carolina has been mailed to all pastors).
4. That our association shall recognize the associational officers to serve as the Baptist Jubilee Revival Committee.
5. That every church utilize the church council in promoting a perennial program of evangelism within the local church.
6. That every church co-operate with the Baptist Jubilee Revival, and that consideration be given to having at least one other revival during 1961, with emphasis in both revivals being placed upon every member doing personal soul-winning.
7. That each church follow the Revival Plan Book, thus pray, plan and work to reach the maximum number of lost souls during the Baptist Jubilee Revival and to experience a new depth of spiritual life.
8. That every church co-operate fully with the Training Union in promoting the spiritual growth program, so as to help anchor and mature every member coming into the fellowship of the church.

Respectfully submitted,

L. H. Knott, Chairman

PETITIONARY LETTERS

To The Eastern Baptist Association:

Whereas the Beulaville Baptist Church, after careful and prayerful consideration, on July 31, 1960 voted to enter the new Association in the Jacksonville area; we do hereby petition the Eastern Baptist Association in annual meeting October 4-5, 1960 for a letter of dismissal and recommendation to the new Association.

The relationship of the Beulaville Baptist Church to the Eastern Association through the years has been a very happy relationship. We shall long cherish the fond memories of wonderful Christian fellowship enjoyed with the churches of the dear old Eastern Association. The breaking of such long standing ties is not easy, but we go with the feeling that we can be of greater service in God's great program for His churches.

This action was taken in special conference on Sunday morning October 2.

Fraternally yours,

Jerry R. DeBell, Moderator

Louise H. Brown, Clerk

Rev. Paul Mull, Clerk

Eastern Baptist Association

Warsaw, North Carolina

Dear Brother Mull,

On July 31, 1960, Hallsville Baptist Church in a called conference voted unanimously to become a member church of the new and as yet unnamed association of Missionary Baptist Churches in the Onslow County Area. In regards to this action, we would request a letter of dismissal from Eastern Baptist Association effective October 5, 1960.

Our affiliation with Eastern Baptist Association has been an evperience of genuine pleasure, and I wish to express in behalf of the membership of our Church our sincere appreciation to everyone concerned with Eastern Baptist Association for the fine cooperation, fellowship, and love that has been shown to us through these many years.

Please urge all the people to continue to pray for us.

Yours in Christ,

Willie Shepard, Jr., Pastor

Mrs. Hazel Sandlin, Clerk

To The Eastern Baptist Association:

The Cedar Fork Baptist Church, at a called conference on July 24, 1960, voted to join the new association in the Jacksonville area.

Therefore, we respectfully request a letter of dismissal and recommendation from the Eastern Baptist Association, effective October 4, 1960.

We take this action with mixed emotions. First, we shall miss the fellowship and cooperation we have enjoyed in the Eastern Association. Second, we join the new association accepting a new challenge and a new opportunity to further strengthen our Baptist work in the Jacksonville area.

We sincerely request that our Parent Association prayerfully remember us as we join this new fellowship.

Respectfully yours,
Norman Aycock, Moderator
Elmore Brinson, Clerk

The Wells Chapel Baptist Church located on Highway 41 between Harrells and Wallace, N. C., Sampson County, N. C., hereby applies for membership in the Eastern Association of North Carolina.

Our church was organized in the year 1756. It was first named Bultail. In history it is often referred to as the "Dear Old Church of Sacred Memories." It is also called the "Mother" church, since it was the only Missionary Baptist Church within what is now the Wilmington Associational boundaries for 58 years.

Bultail was affiliated with the Ke-Hu-Kee Association as early as 1789, and was later associated with the Goshen Association until 1827, when the Eastern boundaries were established.

This church was one of the ten churches which organized the Eastern Association. Rowan, organized in 1749, was the only one of the group older than Wells Chapel.

On the 2nd Sunday of July 1835 the name was changed from Bultail to Wells Chapel. In 1902, Wells Chapel united with the Wilmington Association.

This done by order of the church assembled on Sunday, September 25, 1960.
